## Mining Industry

[<<BACK](#)

[<<HOME>>](#)

[NEXT>>](#)

A wide-angle photograph of a large industrial mining facility. In the foreground, there is a large pile of dark grey gravel or crushed rock. Behind it, several large, cylindrical white silos are connected by a network of metal walkways and pipes. To the right, there are several large, dark-colored industrial buildings. The sky is blue with some light clouds. The overall scene depicts a complex industrial site.

**North West Installations  
serves the mining industry  
throughout North America  
from initial construction  
and throughout its life cycle  
with on going fabrication
